Public Holiday – Monday 10th

A quick reminder to all families that Monday 10th June will be a public holiday. School will be closed on Monday and will be ready for learning on Tuesday 11th. I hope that all families enjoy celebrating the long weekend, I know the staff are certainly looking forward to enjoying an extra day.

Student of the Fortnight

Olly has made a super effort at completing all work in class.

Keep up the great work Olly!

Mindful Warriors

Next week the students will be involved in a workshop with expert Anna Gannon who specialises in holding students attention by having nurturing conversations about feelings. The students will participate in a workshop where the children are given opportunities to demonstrate an empowerment and share stories of feeling, and all kinds of emotions. All the children will take part in how to be a good friend, realising they are not alone; this will bring a sense of comfort and gentle smiles around the room. Staff at Barmedman Public School are really looking forward to such an incredible program being held at our school for the students to participate in which will be over the next four weeks. This workshop will help empower our students with skills they can use to cope with in their world outside the classroom and helps build their confidence so that they can achieve the very best at school and at home.

Earn and Learn

Barmedman Public School is once again participating in the Woolworths earn and learn program. Last time we did this our amazing families raised over 4,000 stickers!!

Let's see if we can beat this amount this time. We have registered our school and the program kicks off on 1st May until 25th June. Every time you shop at Woolworths you collect the stickers and a sheet to put them on. When you have a complete sheet bring them into the school office.

If you don't want to put the stickers onto the sheets, don't worry, we'll do that for you! There will be a collection box in the school office for stickers and/or sheets.
