Tuesday 17 <sup>th</sup> August	ITAV Library
Dates to Remember	
	Swimming Program

## Welcome Back

This term we welcome back Mrs Rogan to Barmedman Public School. Mrs Rogan has been spending time with her beautiful son, Harry, who stole their hearts in February.

## Thankyou!!

I would like to take this opportunity to say a very big thankyou to Mrs Haisell who has done an incredible job whilst I have been on Maternity leave. Mrs Haisell should be very proud of her efforts. The School looks absolutely amazing, students and staff have been very happy and I am absolutely blown away at what wonderful achievements she has accomplished whilst in her position. I really look forward to working with Mrs Haisell in Term 4.

## COVID 19 Restrictions

COVID restrictions are still in place.

It is important to note that if your child is unwell, please keep them home.

Unfortunately, parents are unable to be on the school grounds unless essential – you will need to wear a mask and sign in using the QR code at the front office. Pick up and drop off of your child/children will need to be done at the school gates.

We will continue to keep you updated when information comes to hand.

<https://education.nsw.gov.au/covid-19/advice-for-families/schools-outside-of-greater-sydney1>

**Thankyou for following the new procedures and for your understanding.**

## Swimming

This term we have our school swimming program. This program runs for 5 days leaving the school at 9.50am and returning to school at 2.50pm.

We are waiting for dates to be confirmed and a note will be sent home shortly outlining the details.

## Sun Safety

With the weather warming up I would like to remind parents and students about the importance of sun safety.

Students are required to wear a sun safe hat. Sunscreen is available for student use at school.

Every student is known, valued  
and cared for in our schools

## Attendance: every day counts

- **Focus** on identifying and understanding attendance patterns
- **Create** a welcoming place for everyone
- **Embed** proactive strategies to address students' needs

**How do we ensure schools are places where  
students want to be?**
