COVID Restrictions

Students will return to face to face learning on Monday 13th September. We look forward to welcoming back our staff and students for the remainder of this Term.

Here's what our families and student can expect when returning to school sites under COVID-safe Level 3 conditions:

- Staff will be required to wear masks indoors and outdoors while on school grounds.
- Only essential visitors will be allowed on site and will be required to check-in and wear masks at all times.
- Parents and carers will need to remain outside of school grounds and follow physical distancing and avoid gathering for drop-offs and pick-ups.
- There will be enhanced daily cleaning of the school and wherever possible we will ensure classrooms will be well-ventilated with open windows.

We have worked closely with NSW Health in developing our return to school roadmap and COVID-safe school plan. NSW Health will continue to monitor vaccination rates and transmission levels in our LGA and will advise us if settings need re-evaluation.

Thank you for your continued support!
