

Barmedman Public School

“BPS Bulletin”

Message from the Principals Desk

Welcome back to Term 2!

It is so good to back at our wonderful school!

Already a busy start to the term with our students proudly representing our school at the Anzac Day march! They were all very respectful throughout the march and service. Thank you to Lachlan for laying a wreath on our behalf.

We were invited to participate in Wyalong Public School’s Cross Country Carnival last Friday. All students participated in a 2km or 3km race and in the tabloid activities. We were very proud of their outstanding efforts and level of participation.

There are some staff changes with Mrs Haisell’s appointment as Assistant Principal at Temora Public School. We are very appreciative of her years of service at our school and wish her all the very best in her new role! Miss Bell was successful in securing the role of Relieving Assistant Principal, Curriculum and Instruction. We congratulate Miss Bell on her appointment and welcome her back on Wednesdays. A very warm welcome to Miss Keith who will be joining our team on Thursdays and Fridays. She comes to us with a wealth of experience and is excited about joining our wonderful team. Miss Davidge will continue to be on class Tuesdays, Wednesdays and Thursdays.

Miss Connie Liddell

TERM 1	
26 th April	1 st day of Term 2
28 th April	Cross Country
4 th May	Tennis
11 th May	Tennis

Attendance

Cross Country at Wyalong Public School

Sun Safety

Wearing a hat is very important practice for sun safety. If your child has no hat no play outside, they will need to stay under cover in the cola.

Fruit Break

Please pack your child a piece of fruit or vegetable each day. The children get to enjoy this at 10am each day during literacy. Fruit and vegetables are **great sources of vitamins, minerals and fibre**, and an important part of a balanced diet for kids and adults.
