

Barmedman Public School

"BPS Bulletin"

Message from the Principal's Desk

Welcome to the year of 2024 at Barmedman Public School. Staff and students are ready for a year filled with learning and growing. Our dedicated staff have been busy creating spaces across the school that are fresh and organised for activities that spark curiosity.

This week we have our combined swimming carnival with Tallimba and Weethalle at West Wyalong. Starting time at the pool is 10:00 am. Students travelling with staff can arrive to school at the usual morning time.

Work has begun in the playground for us to have a sand pit. This is very exciting news as it will provide a new and fun option for play during breaks.

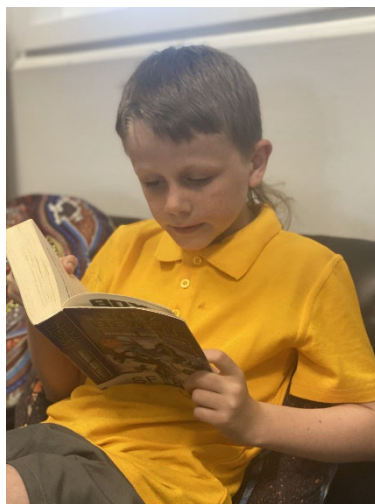

Healthy Harold will be visiting the school next week. The lovable giraffe will be sharing information about health and safety with students.

I extend a warm welcome to the newest members of our school, Tahana and Alirrah.

Families are always welcome to call or visit for the best interest of students and the school. Please feel free to ask any questions or have a conversation at any time throughout the year.
